

This is in concern with the possibility of losing K-LOVE Radio due to new LPFM stations: It is so encouraging to be able to listen to good Christian music without the interruption of commercials and most importantly, being able to listen to a radio station with my kids in the car and not worry about what a DJ may say that is inappropriate. If K-LOVE were to be displaced by an LPFM broadcaster, it would be detrimental to the local community. K-LOVE is the only Christian radio station that the wilmington area can listen to. It is in the public's best interest to keep K-LOVE on the airwaves for us to listen to. Even my teenager and her friends no longer ask that I change the channel when they get in the car. My 9-year-old knows every word to every song that she hears on K-LOVE. I'm sure many of my friends can relate similar stories. Please do not replace this wonderful station with something else. K-LOVE has a positive impact on an imperfect society. Please don't change that. Thank you!
